Location: 76, Khayaban-e-Zohra Block D PGECHS, Lahore, Punjab, Pakistan-54000

- ☒ Extreme Ownership: Take full responsibility for your work and outcomes.
- ☒ Problem Solving: View challenges as opportunities for growth.
- ☒ Continuous Improvement: Strive to be 1% better every day.
- ☒ Accountability: Communicate openly and meet commitments.
- ☒ Ethical Standards: Prioritize integrity and the greater good.
- ☒ Collaborative Excellence: Value diverse ideas; the best thought wins.
- ☒ Impactful Action: Focus on making a meaningful difference in everything you do.

At Advance Amazon Agency, we foster an environment that encourages growth and inspires individuals aligned with our core values. If you are passionate about making a significant impact, we would love to connect with you.

Key Responsibilities:

- * Design and create: Develop visually appealing graphics for Amazon product listings, marketing materials, and website content.
- * Brand consistency: Maintain brand guidelines and ensure visual consistency across all platforms.
- * Collaborate: Work with marketing, product, and development teams to understand design needs and objectives.
- * Optimize images: Ensure images are optimized for web use, considering file size and resolution.
- * Stay updated: Keep up-to-date with industry trends and design technologies.
- * A/B testing: Participate in A/B testing to improve the performance of visual assets.
- * Manage projects: Handle multiple projects simultaneously, meeting deadlines and managing priorities effectively.
- * Design Systems: Contribute to and maintain design systems to ensure consistency and scalability.

Qualifications:

- * Education: Bachelor's degree in Graphic Design or a related field.
- * Experience: Proven experience in graphic design, preferably in e-commerce.
- * Software proficiency: Expertise in Adobe Creative Suite (Photoshop, Illustrator, InDesign) and Figma.
- * Design skills: Strong understanding of design principles, typography, color theory, and layout.
- * Communication: Excellent verbal and written communication skills.
- * Attention to detail: Meticulous attention to detail and a commitment to quality.
- * Problem-solving: Ability to think creatively and solve design challenges.
- * Portfolio: A strong portfolio showcasing a range of design work.
- * Knowledge of Amazon: Familiarity with Amazon's platform and design requirements is a plus.
- * Prototyping: Experience with creating interactive prototypes using Figma.
